

Schedule of events

The Midwest Musclegar Challenge is a four-element event open to domestic 1978 and prior model year vehicles. The event will be run on May 29th & 30th 2010 at two of the Midwest's premier facilities, Putnam Park Road Course, in Mount Meridian Indiana, and the Mid-American Air Center, located in Lawrenceville, Illinois. The four elements include road course, street driving, autocross and a speed-stop challenge
